Chapter 1 by Ruby and Sassy

I sat in class, dozing off, while my teacher gave a lecture. The kid behind me began to snore, and a few kids giggled. I sighed, and began to doodle. I was making an amazing...who-knows-what, when gunshots rang. Everyone began to scream, we all went under our desks. We could see his shadow through the semi-thin curtains. I sat under my desk, completely calm on the inside, but terrified on the inside.

Chapter 2 by Cheshire_in_Wonderland

I could feel the blood pulsing in my veins. People were screaming, and the teacher was trying to shush them. We heard footsteps outside our classroom. Everyone went quiet. We were all scared. I saw the doorknob turn, one way, and then the other. The door was locked from the inside. The person outside started to bang on the door. Everyone winced with every knock. Then, there was silence. **BANG! BANG! BANG!** With the third sound, the door to the classroom came down. We couldn't believe who we saw.
